

The architectural floor plan shows a building with a central corridor and several rooms. Key areas include:

- Top Section:** A semi-circular area labeled "VUOTO SU TERRAZZA" (Empty above terrace) with a dotted pattern. Below it is a large room with a gabled roof.
- Central Section:** A large rectangular area with a grid of columns and beams, labeled "SOTTOTETTO" (Attic) on both sides. A central vertical corridor is highlighted in blue. To the left of this corridor is a room labeled "EX LOCALE CONTROLLO A DISPOSIZIONE" (Former control room at disposal). Above the corridor is a room labeled "LOCALE TEC. ASCENSORI" (Technical elevator room).
- Bottom Section:** A large rectangular area with a grid of columns and beams, also labeled "SOTTOTETTO". Below this is a semi-circular area labeled "VUOTO SU TERRAZZA" (Empty above terrace) with a dotted pattern. Above the central corridor is a room labeled "VUOTO SU LOCALE TECNICO" (Empty above technical room).
- Structural Elements:** A central vertical corridor is highlighted in blue. A green "E" with a red "40" is located near the bottom of this corridor. A blue rectangle highlights a room labeled "COBERTURA SCALE" (Staircase roof). Below this is a room labeled "COBERTURA LOCALE TECNICO" (Technical room roof). To the right of this is a room labeled "CAVEDIO AREATO" (Vaulted void).
- Other Features:** A small room labeled "griglia aria" (Air grille) is located near the bottom center. A small room labeled "griglia aria" is located near the bottom right. A small room labeled "griglia aria" is located near the bottom left. A small room labeled "griglia aria" is located near the bottom right.
