

R3 CANNAREGIO DISTRICT

REFRESHMENT AREA: PARCO SAVORGNAN

The park is a shaded 9,500 sq.m area surrounded by historic buildings that make up the architectural background. There are tree-lined avenues, benches, rubbish bins, two drinkable water fountains (one of which can be found in the alley access area), and a children's playground. Among the vegetation can be found many valuable historical architectural elements. The park is a few hundred metres from the Santa Lucia Railway station, along the Lista di Spagna street, near the monumental Campo of San Geremia; Veritas no. 3 Public rest-rooms are approx. 150 metres away at San Leonardo.
