**SANT'ELENA GARDENS OR**  
**"RIMEMBRANZE" PARK**

Near the Biennale Gardens, on the island of Sant'Elena, you can find the shady "Rimembranze" Park with its tree-lined avenues, benches, rubbish bins, and children's playground. There are public rest-rooms, and two drinkable water fountains - one near the rest-rooms and the other in the north-west part of the park along the route leading to Viale Garibaldi. Easily reached with ACTV lines ("Sant'Elena" stop) this large park is great for strolling along the water's edge that looks out, onto St. Mark's Basin and the Island of Lido.
